Get in Front of Today's Growing IT and InfoSec Community — Become an ISSA-LA Sponsor

Make the most of your marketing investments in 2022 by taking advantage of ISSA-LA sponsorship opportunities. ISSA-LA members are looking for ways to make their current solutions work more effectively. Make sure your company and its products are represented at ISSA-LA meetings, events, and the Annual Security Summit.

Southern California

California's economy is the **eighth largest economy in the world**, and Los Angeles County is the largest County in the United States. There isn't a better place for you to invest your marketing dollars.

Who is ISSA-LA?

ISSA-LA is the premier catalyst and information source in Los Angeles for improving the practice of information security. The Chapter provides educational programs for IT and Information Security professionals. The Chapter conducts outreach programs to businesses, financial institutions, non-profits, governmental agencies, and consumers. The Chapter's previous annual world class Security Summit attracted over 800 registrants.

ISSA-LA is the founding Chapter of the Information Systems Security Association, an international not-for-profit association of the leading IT and InfoSec professionals and practitioners in the world.

Former ISSA International Board President Howard Schmidt was the first United States Cyber Security

Coordinator and Special Assistant to President Obama.

ISSA-LA is a dynamic community of IT and IT Security leaders who are passionate about transforming their IT environments. ISSA-LA meetings, events and Annual Security Summit allow users to gather and share best practices and exchange ideas. View the event lineup on page 4 to see where and when these leaders will gather in 2022.

The ISSA-LA user community meets monthly (sometimes jointly with the Information Systems Audit and Control Association – ISACA, the Open Web Application Security Project – OWASP, and the Cloud Security Alliance), all held on the third Wednesday of each month.

ISSA-LA members also join vendors at sporting events and live performances, where the vendor can present new solutions and tools.

Cyber Security Awareness Speakers Bureau

ISSA-LA provides information security awareness presentations to civic, business, professional and technical organizations. We have spoken at Rotary LA 5, the Jonathan Tuesday Breakfast Club, and more than 50 other organizations.

For More Information, contact: admin@issa-la.org.

Educating the Next Generation

ISSA-LA works actively with UCLA Extension, USC and other educational institutions. We also collaborate with LAUSD, mentoring high school students participating in the National Cyber Patriot Program.

What is the Value of a Sponsorship?

Get to Know ISSA-LA Members

ISSA-LA event attendees are decision makers, influencers, evaluators and implementers of products and services that your company offers.

Build Relationships

A relationship with ISSA-LA provides a unique opportunity to tap into the Southern California base while gaining valuable brand exposure and awareness. Network with our community to gain insight and information that can benefit your company. Make a lasting impact that counts with the IT and InfoSec community.

Grow Your Brand Awareness

Build your company's brand awareness within the Southern California region. Gain website recognition and get exposure in e-mails sent to the ISSA-LA database. Event sponsorships and year-round opportunities provide valuable exposure directly to your current and future customers to help you grow your business.

Annual Security Summit

The Summit is the premier Information Security event in Southern California. IT and InfoSec leaders will be gathering again Sept 20-22, 2022. With 500+ expected attendees, this is an event your company simply cannot afford to miss.

Get Started

Opportunities of all sizes are available to fit your needs and budget. Customizable options and various sponsorship levels provide you with the flexibility to reach potential customers in a way that makes the most of your investment. Turn to page 6 to learn more about available opportunities.

The ISSA-LA community continues to grow. Get on board now and partner with us to reach hundreds of potential customers, and reconnect with current and past customers.

“The ISSA-LA event line-up offers an excellent opportunity to connect with existing customers as well as to meet the many prospective customers who attend. These events are also perfect for gathering regional market intelligence throughout the Western United States for a very low cost per lead compared with a majority of IT events available today.”

— **Richard Greenberg, CISSP**
President, ISSA-LA

ISSA-LA Events

In 2019, approximately 1700 IT and IT Security professionals attended ISSA-LA events to:

- Get the education they need
- Network with other industry professionals
- Learn about the latest vendor tools and solutions
